Dear Sabra Campers and Staff:

We are most pleased to present your 10th Anniversary Yearbook, which commemorates our exciting summer in 1979.

As you look through the book we hope your fond memories of camp will be remembered for many years.
The friends we have made, the trips we took, the camaraderie of our community are shown on these pages.

The coming summer will mark a new beginning for Camp Sabra. With our new Director, Cary Berg, and new direction for the 1980's, we know you will want to be part of our next 10 years.

As you think about Sabra '80 let the words of the song, "Remember", have greater meaning for all of us

REMEMBER the friends you've made here
REMEMBER when you're away
REMEMBER the fun you've had here
And don't forget to come back some day.

REMEMBER the blazing campfire,
The rippling waters blue,
For you all belong to Sabra
And Sabra belongs to you.

Shalom,

Aubrey Herman
