Summer 1984

Dear Sabra Campers and Staff:

Like having a birthday at Camp Sabra, "Today is a very special day" ... in the life of all of us who enjoyed a Sabra Summer at the Lake of the Ozarks.

We are proud to present you with a collection of wonderful memories from 1984. I know you'll enjoy the Sabra Yearbook of 1984. We hope that this gathering of "Sabra's Best" makes the summer come alive for you.

For me, I am already looking forward to next year. After spending my first summer at Sabra, I can now understand what a magical world we share. I can't wait until next year!

So, don't wait another moment before finding all your friends on the following pages.

See you for a great Sabra summer in 1985!

Warmly,

Scott

You can't buy it

You can't see it

Everybody needs it!

and it's friendship!

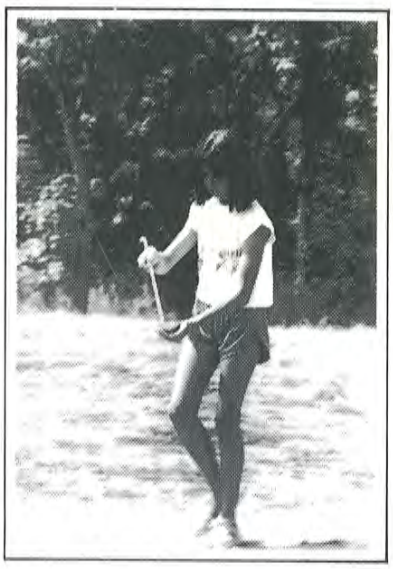
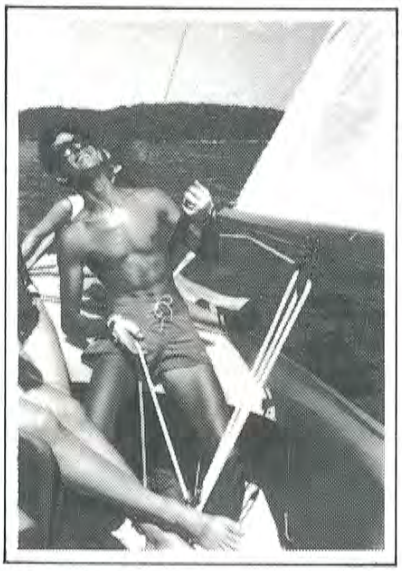
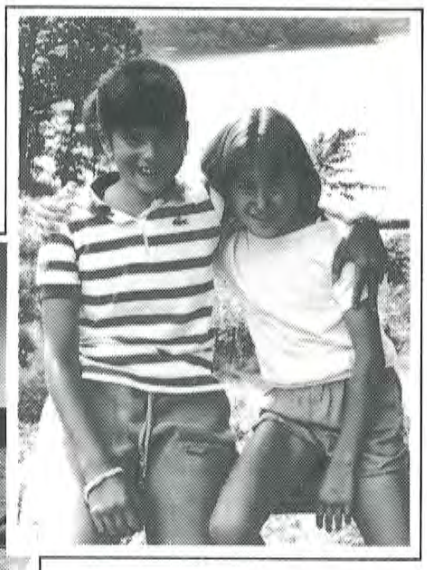
A friend is one who:
pushes you in the swing ...
pulls you up the ladder ...
pats you on the back ...
and hugs you goodbye.

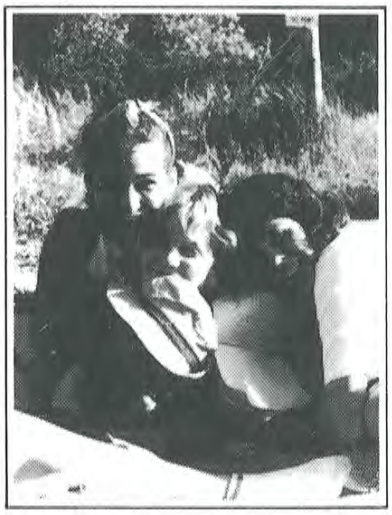
Friendship is being close in heart ...
even when you're far apart.

Since we live
so far from each other
we must try
extra hard
to keep in touch with each other
I wish you would write
or call more often
but I know that you
get so involved
with everyday events
that there's never enough time
I forgive you for this because I know that I am
in your thoughts as you
are in mine
I hope that
my friendship with you
is as important
as your friendship
is to me.



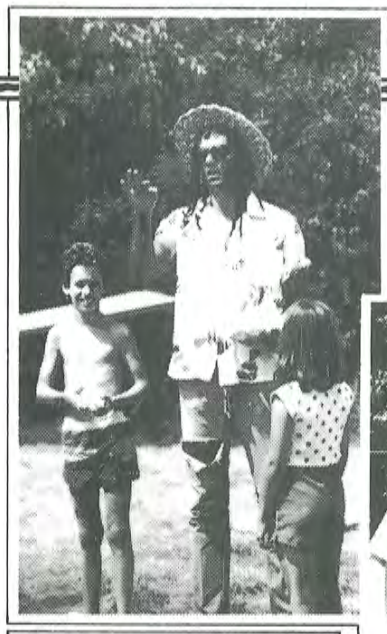




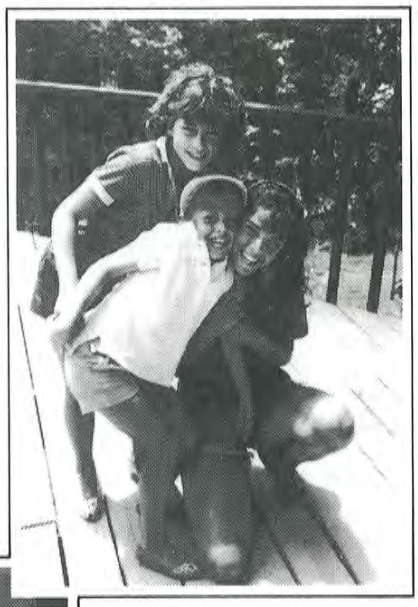


If a man does not keep pace
with his companions,
Perhaps it is because he hears
a different drummer.
Let him step to the music
which he hears,
However measured or far away.

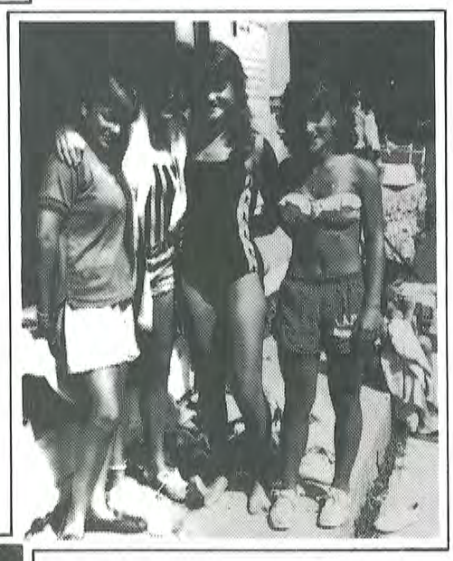
H.D. Thoreau



I miss your thoughts
I miss your words
I miss your actions
but knowing that we
share our feelings
even though apart
it is as though
you are with me now.



Reflections
Reflections of my inner-self
Things I wish to be
Whether or not they are for me
Only time can see.
Adele Ruth



Happiness ...
Is time spent with a friend
and looking forward
to sharing time with them
again.
— Lee Wilkinson

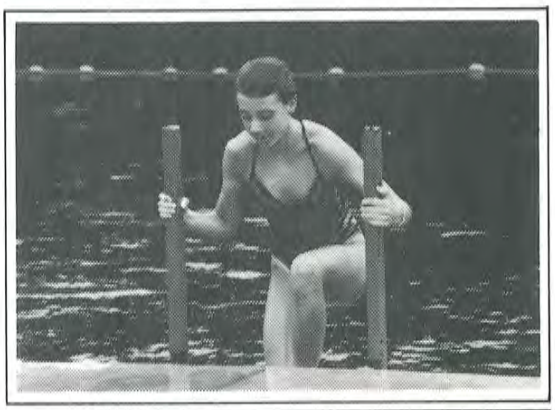
It's time for moving on my friend ...
Hold back all the tears and sorrow ...
It's finally time to go our separate ways.
I want to wish you well my friend
as we search for new tomorrows ...
Go as you must,
but please don't forget the
YESTERDAYS!

Laugh when you can
Cry when you have to ...
Be who you must ...
That's a part of the plan
- Dan Fogelberg

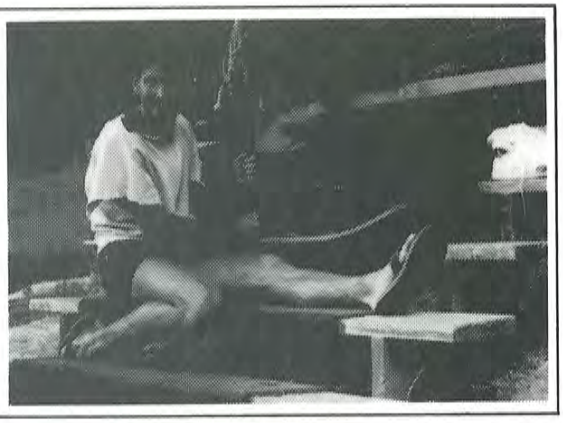
WHO ... but a friend ...
shares our dreams,
our tears and our blessings,
and asks only
for Love in return ...
Some people make the world
brighter, just by being in it!

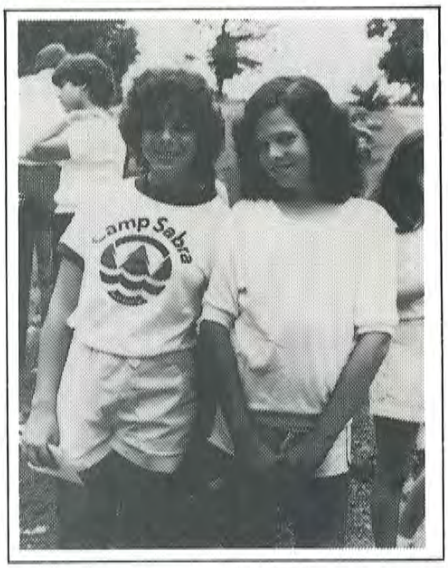


THE TREE

Friendship is the roots to happiness,
Goals are the branches of happiness,
And love is the trunk holding the two together.

Rachael Colvin





Some friendships change with time
Some friendships dissolve with time,
It doesn't matter what we do ...
or what we are ...
or what we live ...
or how we think ...
Our friendship grows deeper
and stronger with time.

**Saying Goodbye**

Tears ...
Leaving the familiar
saying goodbye
to family, friends
Afraid to go away
to strange staff members,
campers yet unknown.
A new home called Camp Sabra ...
Living in unairconditioned cabins,
Eating camp food,
Taking cold showers.
Tears ...
Leaving the familiar
waving goodbye
to the great friends I've made
To my wonderful campers
not wanting to go home
to an ainconditioned house,
Homemade food,
Warm showers.
More tears ...
Wishing, wishing, wishing
that I could stay
FOREVER!

L.G.
