

Camp Sabra Scholarships, Incentives, Discounts and Grants

The Camp Sabra experience is life-changing for our campers, and we want to help every camper who wants to attend, attend! Camp Sabra and the St. Louis Jewish Community Center offer a variety of ways to save money on Camp in order to make sure that this opportunity is available to as many campers as possible.

Host a House Party!

What do you get for hosting a House Party?

- \$100 off your camper's tuition for EACH new camper who registers for and attends Camp Sabra 2017 because of your House Party

What do you have to do?

- Arrange a date that works for your family (and your prospective families) for a Camp Sabra representative to come to your home (or an alternative venue) to talk about Camp
- Contact prospective families (friends, family members, co-workers, etc.) and invite them to the event
- Be willing to accommodate other families recruited by Camp Sabra staff (space permitting)
