EVENING PROGRAMS

Messy Olympics

The goal is simple - get as messy as you can! The kids end up head-to-toe covered in chocolate syrup, shaving cream, cheese puffs, fruity pebbles, and more! Then they washed it all down the slip-and-slide!

Game Night

Golan had a blast playing a variety of improv games, freeze tag, North East South West, Mafia, and more!

Where's Teddy

Golan was sent on a scavenger hunt to find a blue teddy bear. This sent them all over camp and required them to interact with lots of staff. It was a great way to introduce them to camp!

WHAT IS THIS?

Every night, Golan gets together for asuper fun evening program. It's a time to bond with campers in other cabins and to get the last of their energy out before bed time.
